PHARMACY TECHNOLOGY
ADMISSION POLICY

PHASE I: Application and Admission Process

- Submit a completed application to Johnston Community College.
- Submit official transcripts from high school and all colleges to JCC.
- Have graduated or will graduate from a high school or the equivalent, as recognized by the State of North Carolina.
- Have earned a minimum grade of “C” in one unit of biology or one unit of chemistry or the equivalent.
- Have earned a minimum grade of “C” in an algebra course.
- Complete the College placement test or met test exemption requirements.
- Place into ENG 111 and MAT 110.
- Be interviewed by an admissions counselor after completing the college placement (if required) and/or all official transcripts have been received by the College.

Phase II: Program Application and Notification of Acceptance

- Applicants must have met all admission requirements and submitted program specific application by the May 1st deadline to be considered for admission into the Pharmacy Technology program. Applicants are admitted on a first-come-first-served basis. The College reserves the right to extend the application deadline when warranted.
- Receive notification by mail from JCC.
- Attend a mandatory program orientation by the program director or her designee on designated dates.
- Show documentation of physical and emotional health by the student’s primary care provider. (College approved forms will be distributed at orientation).
- Submit to criminal background checks and initial and random drug screenings as directed by affiliating clinical agencies. Criminal background checks and drug screenings must be completed through the College’s designated service provider. The student will incur the cost of the criminal background checks and drug screenings. Clinical agencies may require criminal background checks and drug screening every 6 months while enrolled in the program.
Information obtained from the criminal background checks and drug screenings could jeopardize the student’s ability to participate in clinical experiences and would result in the inability of the student to complete the program.

*The College reserves the right to change any restrictions or program requirements at any time. Johnston Community College will make every effort to lessen the inconvenience any changes created for the students.*
