

Student COVID-19 Report Checklist

Student Name:		Student ID:		Date of Report:	
----------------------	--	--------------------	--	------------------------	--

- The information provided below is treated as confidential and shared on an as-needed basis.
- If you are waiting on information to complete this checklist, please go ahead and submit what you know now, make a note at the bottom of the page, and plan on following up with any updates, to include test results.

Initial Process for a Student Case:

1. Student reports exposure, symptoms, and/or positive test results to instructor.
2. Instructor will send the "Student Checklist" to the student.
3. As soon as possible, student answers all the questions on this checklist and submits it to their instructor.
4. Student refers to the CDC for recommendations based on their situation at: https://www.cdc.gov/coronavirus/2019-ncov/your-health/quarantine-isolation.html#anchor_1641318078836
5. Instructor follows up with the student on next-steps, as-needed.
6. Contact JCC Safety at jccsafety@johnstoncc.edu for questions.

Questions for Data Collection:	Student's Answers:
1. Have you been vaccinated?	
2. Have you received one or more boosters?	
3. When were you last on campus (date and approximate time)?	
4. What areas did you enter when you were on campus (offices, classrooms numbers, restrooms, etc.)?	
5. Who are your instructors?	
6. Have you recently been in close contact with someone who has tested positive for COVID-19? If so, please explain. <i>Include last date of contact (on or off campus)</i> <i>Note*(Contacting tracing will only occur if the county is designated as high risk).</i>	
7. Are you experiencing COVID-19-like symptoms ? <ul style="list-style-type: none"> • If so, what symptoms? • What date did your symptoms begin? <i>If you are experiencing symptoms please leave campus and follow CDC guidelines regarding your return date.</i>	
8. Have you been tested for COVID-19?	
9. What date were you tested?	
10. What was your test result?	
11. Were you and others practicing social distancing, if on campus during the last week?	
12. Did you have close contact recently with anyone while on campus? Explain, including name(s) of individual(s). <i>"close contact" is being less than 6 feet from another person for a cumulative time of 15 minutes or more in over a 24-hour period.</i>
