

Purpose

To provide policy regarding instructional technology and distance learning offered at the College including, but not limited to, training and support for synchronous online, asynchronous online, hybrid, blended, synchronous seated and traditional seated classes.

General Policy

The College shall establish JOLT (Jaguar Office of Learning Technologies) to be responsible for managing distance education and instructional technology, as well as training and technical support for faculty, staff, and students. JOLT shall maintain and develop the LMS (Learning Management System) and other instructional technologies as needed. Any student may register for a class of any modality as long as the student has met standard course prerequisites.
